*Study abroad:* Russian language. University of Joensuu, Finland, Spring 1997.

### PROFESSIONAL EXPERIENCE

Southern Alliance for Clean Energy, North Carolina and Tennessee

**Regional Program Director.** Supervise multiple staff on developing state-wide and issue-based clean diesel/biodiesel, coastal, federal policy and global warming advocacy campaigns. Analyze policy proposals from utility companies, utility commissions, and legislators; testified against new coal-fired power plants- championed a coalition effort to defeat new coal unit in NC. Represent the organization on climate policy; develop and execute campaign plans; design and implement media outreach; oversee regional program budgets, write and edit major grant proposals and reports; manage organization website. 2003-present

**Regional Clean Air Campaign Coordinator.** Coordinated Southeast coalition of the National Power Plant Campaign; built and maintained strategic coalition relationships; wrote campaign plans. Authored *Clearing the Air* reports on power plant pollution from Alabama Power and the Tennessee Valley Authority; analyzed utility air pollution data; arranged congressional briefings, constituent visits, and major conferences on clean air issues. Prepared educational materials and fact sheets; presented at meetings, press conferences, forums, congressional events, and funder meetings. Built campaign website. 1999-2003

Peacework International Volunteer Programs, Blacksburg, VA

**Program Manager.** Supervised the Office Assistant and student assistants; managed office operations. Wrote and edited orientation/training manuals; coordinated preparations for international volunteer programs. Conducted and completed cross-cultural assessments and evaluations of international projects in Russia, Cuba, and Belize. Created and managed volunteer databases and designed and maintained organizational web site. 1997-1999

**Board Chair**, 2004-2007

### OTHER EXPERIENCE

**Board Member**, Clean Air Community Trust, Asheville, NC, 2005-2007

**Campus Recycling Coordinator**, University of Oregon, Eugene, OR;

Virginia Polytechnic Institute and State University, Blacksburg, VA

Conducted feasibility assessments and data collection. Arranged scheduling for services, route collection, in-services, and on-campus activities. Oversaw general office organization and management; developed educational materials; planned special recycling projects. 1994-1995
