### **Date: April 1<sup>st</sup> DUML TRANSPORTATION CHALLENGE BEGINS!**

Make sure to sign up for the first annual DUML Transportation Challenge by following the directions sent out by Gary Dickinson ([ghd2@duke.edu](mailto:ghd2@duke.edu)).

DUMLers will compete to have the greenest transportation practices/patterns on a weekly and monthly basis, throughout the month of April. There will be weekly prizes and monthly grand prizes.

### **Date: Wednesday, April 4<sup>th</sup> POLITICAL ECONOMY OF FISHERIES SEMINAR**

Time & place: 12:30 pm, DUML auditorium

Activity: Dr. Becky Mansfield's seminar presentation (Ohio State University):

"Assessing assumptions of market-based environmental policy using evidence from North Pacific fisheries"

### **Date: Wednesday, April 4<sup>th</sup> BOOKHOUT BAKERY CONSORTIUM 'MEET THE AUTHOR' DISCUSSION**

Time & place: afternoon (time TBA); Andy Read's lab in Bookhout

Activity: discussing Dr. Mansfield's article with DUML colleagues and Dr. Mansfield herself!

Article: Mansfield, Becky. 2004. Rules of Privatization: Contradictions in Neoliberal Regulation of North Pacific Fisheries. *Annals of the Association of American Geographers* 94:3, 565-584.

### **Date: Thursday, April 5<sup>th</sup> LOBSTER SEMINAR**

Time & place: 12:30pm, DUML auditorium

Activity: Tracy Ziegler's (DUML) graduating seminar:

Larval release rhythms of the Caribbean spiny lobster, *Panulirus argus*

### **Date: Friday, April 6<sup>th</sup> SUSTAINABLE SEAFOOD FRIDAY**

Time & place: lunchtime at the DUML Dining Hall

Activity: sample some locally caught sustainable seafood and pick up a sustainable seafood menu choices card (which fish are red lights, yellow lights, and green lights when it comes to overfishing etc.).

### **Date: Friday, April 6<sup>th</sup> ANTIFOULING SEMINAR**

Time & place: 12:30pm, DUML auditorium

Activity: Jocelyn Romano's (DUML) graduating seminar:

## Effects of Antifouling Compounds on Marine Invertebrates

### **Date: Monday, April 6th- GREEN WAVE OPEN MEETING ('all hands' are welcome!)**

Time & place: 4pm, DUML Boathouse (meeting combined with HH)

Activity: join us in the Boathouse to discuss our projects to-date, upcoming projects, collect new ideas, and offer opportunities for DUML community members to get involved. If you are unable to attend, please email us with your suggestions and/or activities you would like to volunteer for: zam@duke.edu

### **Date: Saturday, April 7<sup>th</sup> OCEAN CONSERVANCY BEACH CLEAN-UP @ SHACK**

Time: 9:40 meet at the OUTER BANKS FERRY sign on Front St. in Beaufort

Activity: join us for an Easter weekend beach clean-up and picnic on Shackelford Banks. It is one of only 2 REMAINING clean-ups in an historic 30 year program! Expect to return around 1pm

For more information: call Zoë Meletis at 252-725-1434. \*\*\*RSVPs are needed approximately one week before the clean-up (in order to book the ferry).

For more information on this Ocean Conservancy effort, go to:

[http://www.oceanconservancy.org/site/PageServer?pagename=press\\_icc](http://www.oceanconservancy.org/site/PageServer?pagename=press_icc)

### **Date: Wednesday, April 11<sup>th</sup> TURTLE CONSERVATION SEMINAR**

Time & place: 12:30pm, DUML auditorium

Activity: Kelly Stewart's (DUML) graduating seminar:

Establishment and Growth of a Sea Turtle Rookery; the population biology of the leatherback in Florida

### **Date: Friday, April 13<sup>th</sup> SUSTAINABLE SEAFOOD FRIDAY**

Time & place: lunchtime at the DUML Dining Hall

Activity: sample some locally caught sustainable seafood and pick up a sustainable seafood menu choices card (which fish are red lights, yellow lights, and green lights when it comes to overfishing etc.).

### **Date: Friday, April 13<sup>th</sup> HOISTING OF THE CLEAN MARINA FLAG**

Time & place: 5pm, at the flag poles behind the boathouse at DUML

Activity: Leigh Torres (The Green Wave), Lanier Mitchum (Marine Ops.) and others will hoist The Duke Marine Lab's Clean Marina flag and explain the criteria that DUML has to maintain in order to keep its new Clean Marina status.

### **Date: Saturday, April 14<sup>th</sup> BASIC BIKE MAINTENANCE WORKSHOP**

Time & place: 2-4pm, on the quad at DUML

Activity: Gary Dickinson will lead a workshop on basic bike repairs and maintenance. So bring your bike and join us on the quad!

Please RSVP for the bike workshop before Thursday, April 12<sup>th</sup>; email ghd2@duke.edu

### **Date: Monday, April 16<sup>th</sup>- TRANSPORTATION AND ENERGY MOVIE:**

#### ***Who Killed The Electric Car***

Time: 6:30pm

Activity: join us in Repass Lecture Hall of the Marguerite Kent Repass Ocean Conservation Center (our green building!) to watch a movie about energy use and sustainability

Synopsis: "Amid ever-increasing gas prices, this documentary delves into the short life of the GM EV1 electric car -- once all the rage in the mid-1990s and now fallen by the roadside. How could such an efficient, green-

friendly vehicle fail to transform our garages and skies? Through interviews with government officials, former GM employees and concerned celebs (such as EV1 driver [Mel Gibson](#)), Chris Paine (former EV1 owner) seeks to answer the question.” (www.netflix.com)

**Date: Wednesday, April 18<sup>th</sup> DOLPHIN SEMINAR**

Time & place: 12:30pm, DUML auditorium

Activity: Vicky Thayer’s (DUML) graduating seminar; title TBA

**Date: Thursday, April 20<sup>th</sup> 2007 DUKE EARTH DAY FESTIVAL (*main campus event*)**

Time & place: 11am-4pm, Bryan Center Main Plaza

Activity: The Green Wave will attend and host a table at the “Campus-wide festival with food, fun, music, activities, and education; Featuring over 50 community and campus groups focusing on environmental sustainability; Offering local sustainable lunch options from local restaurants”

<http://www.nicholas.duke.edu/earthmonth/calendar.html>
